

Lift Every Voice and Sing: Our Role in Advancing the Next Generation

Our time at Hampton Institute was a wonderful experience for these Jersey Girls. We learned so much from Mr. Burrell, Mrs. Whitehead, Miss Terry, Dr. Ayisi, Sam and Greer Wilson, and the list goes on and on. No one gets to a destination without the kind assistance of our elders. We bring our story of lifting our voices so others may do the singing.

HAMPTON
UNIVERSITY

CLASS OF 1976

DIANE HOWARD, Ph.D., FACHE

is a clinical assistant professor of public administration at the Illinois Institute of Technology (IIT) Stuart School of Business.

Previously, Dr. Howard served as the director of administrative services for the Office of Development at The University of Chicago and for the Northwestern University School of Law. Other roles have included director of professional development with the Government Finance Officers Association and senior consultant for nonprofits and education at the Metro Chicago Information Center (MCIC) and Designs for Change.

Dr. Howard has served on the board of directors of Planned Parenthood Federation of America; Planned Parenthood of Illinois; the local affiliate of the American Society for Public Administration; and the Hyde Park Kenwood Community Conference.

Dr. Howard earned her BA in sociology at Hampton Institute (VA); her MA in public administration from the Graduate School of Public and International Affairs at the University of Pittsburgh; and her doctorate in public administration from the College of Urban Planning and Public Administration at the University of Illinois at Chicago.

is associate professor and chair of the Department of Health Systems Management at Rush University where she teaches courses in insurance/managed care, health care in America, professionalism, and capstone. Previously, she was vice-president of Medical Delivery at Aetna, Inc. in Washington, DC, vice-president of Medicare, Medicaid and Individual Products at U.S. Healthcare in Philadelphia, Director of the American Hospital Association's Division of Ambulatory Care, vice-president of Ambulatory Care at Lake Hospital Systems and assistant vice-president at Rush-Presbyterian-St. Luke's Medical Center in Chicago.

She holds a B.A. from Hampton Institute, M.P.H. from the University of Pittsburgh, and Ph.D. from the University of Illinois at Chicago. She is an American College of Healthcare Executives fellow, AHA McGaw Prize Committee member, Association of University Programs in Health Administration immediate past-board chair having served as its finance committee chair/treasurer, National Association of Health Service Executives research committee co-chair, Holy Cross Hospital former board chair, University of Pittsburgh alumni association board member and scholarship committee member, University of Illinois at Chicago alumni board member, and ACHE Regional Advisory Committee board member.
